

STEM@Root Family Night Challenge

Name: _____ Grade/Teacher: _____

Are you ready for the
STEM@Root Family Night Challenge?

1. Write your name, grade and teacher on top of page
2. Draw a part of a plant or flower after each STEM Activity you visit. For example, draw in a stem after your first activity, next draw in a leaf or flower after your 2nd activity, etc. You can “grow” as many plants as you want depending on how many activities you visit!
3. Answer the question below.
4. Return your Challenge form at the front entrance before you leave.
5. If you have visited at least 6 out of the **13** STEM Family Night activity stations and answered the question, you will get your own packet of **PLANT SEEDS!**

My favorite STEM Family Night Activity was:
